Re: Howard, Simeon Clarence Earl**December 29, 2022****Page 2**

Due to his admission, Mr. Howard was continued on weekly reporting and has been reporting in person at least once per month. He and his wife have since reconciled and are working on improving their communication in their relationship. Mr. Howard has made a priority of dealing with his stressors as this has been a primary trigger of his substance use. Since his admitted use, Mr. Howard has been able to regain compliance with his conditions of supervised release; therefore, no action is being recommended for this violation.

I declare under penalty of perjury that the foregoing is true and correct.
